

BOYS & GIRLS CLUBS
OF WASHINGTON COUNTY

Dear Community Member:

The Boys & Girls Club of Washington County, in collaboration with the Washington County Community Partnership for Children and Families, will be providing the "Tomorrow's Leaders" program starting in September 2009. The program, funded by The Harry and Jeanette Weinberg Foundation, will serve teens between the age of 13 and 18 and will provide job training, field trips, college tours, and Junior Staff positions at the Boys & Girls Club.

The Tomorrow's Leaders program will provide practical learning experiences in four core areas:
Life Skills to include gang and violence prevention
Substance Abuse Prevention
Sexuality/Teen Pregnancy Prevention
Independence and Personal Responsibility

While the program will have a limited number of spot available, the Boys & Girls Club is accepting referrals from the community in hope to reach out to the teens most in need of the successful program. If you can assist in the program's implementation or refer a teen you feel is in need, please complete the questionnaire at the bottom of this page or contact Matt Krantz (mkrantz@myactv.net) or Nippy Reese (greese@myactv.net) at 301-745-5422 for more information on this program.
