

Williamsport Town Council Meeting

Nov. 8, 2010

The Town of Williamsport presents the Boys & Girls Club with a check for \$500 raised from the Bike Night held earlier in the year. Council member Larry Jessop also presented the Boys & Girls Club with a check for \$400. Mr. Jessop made this gesture in memory of his grandfather, Pete Jessop. The \$400 represents his compensation as a council member which he says he plans to continue to donate to support local children.
